The Fine Print

PageMates as well as other products feature personalized information including name, position and jersey number. The name entered on the order form is the name that will be used- please print clearly. If the position and/or jersey number are left blank, nothing will be printed in those positions.

Athletes who have a completed order form will be photographed individually.

If your athlete forgets a form or you wish to order later, instruct them to get their picture taken. Instructions for ordering online will be sent home when the rest of the job is printed and delivered. Late orders will incur a separate processing and shipping fee.

byMcKee LLC offers a 100% money back guarantee if you are not satisfied with our work or product. That guarantee, however, requires the return of the product you are not satisfied with. No refunds will be issued without the return of product.
